Go-Line 30 Machine

Introduction

Go-Line Marking Systems are the efficient cost effective way to mark out lines on fields for all types of sports, including athletics tracks.

Go-Line 30 Marking Machines are revolutionising the line marking industry. Hundreds of these machines have been sold over the years. The machines are transportable, robust and easy to use.

The Go-Line 30 Machine was the ARMSA Product of the year in 2010.
