

TURBO FLAIL MOWER

YOUR BEST CHOICE FOR A VARIETY OF CUTTING JOBS

From close cutting the finest turf to mulching heavy grass the TURFMASTER FLAIL MOWER is your answer.

The TURFMASTER LD FLAIL mower give you dependable grass cutting in 1.5m width, with forward turning blades.

When you choose a TURBO FLAIL MOWER you get a rugged implement designed for years of dependable operation and service. Blades are free-swinging and retract when a solid object is encountered. Drive belts are especially heavy duty for longer life and less maintenance. rotors are fully assembled with blades at the factory and electronically tested for balance to insure vibration free rotation. extra muscle is built into each rotor to prevent possible whipping action should blades become lost. whether you plan to cut farm land, road sides, golf courses, parks or your own land, take a good look at the durable TURFMASTER FLAIL MOWER.
